

2011 LLGA Calendar of Events and Game Rules

Tee times will rotate throughout the season as noted below. The *first Tuesday of each month* has been set up for Socials. On these days please come no later than 45 minutes before tee time to enjoy refreshments, and make your own pairings. Arrive at the course 30-40 minutes before your round to get ready for play. All games will be played from the green tees. We ask that two members of your team keep a scorecard for the day's event as this provides a double check for accurate scoring. The scorekeepers will validate each individual's scores at the end of the round and turn in an attested scorecard to the Events Chairperson(s). Please note that game formats may be changed as needed each week by the Events Chairperson(s).
