Welcome

Welcome to The 2025 Lakeview Club Championship.
This is 36-Hole Stroke Play, with three divisions (Men's, Senior and Super Senior).
Each division will be flighted after the completion of Saturday's 1st round.

USGA Rules apply

All USGA Rules apply, as well as the Local Rules below.

Note - If you have any questions as you compete today, please refer to the Pro's cell phone number (on the bottom of your pinu sheet). He will come to you. Feel free to text him your name, and where you are on the course, as he may not be able to answer the phone right away without interrupting play. If he cannot get to you in a timely manner, then play 2 balls and we'll figure it out at the completion of your round.

Local Rules

You may remove stones in bunkers. You may rake and place ball in same spot in bunker (no penalty)

You may roll the ball in your own fairway 1 scorecard length.

There is no penalty for a resting ball which is accidentally moved on the putting green.

The "Embedded Ball" rule is in effect "through the green", meaning anywhere on the golf course except in a hazard.

Wood chips and mulch are to be played as "loose impediments".

You may use rangefinders (but not with the slope function turned on).

All roots and rocks are played as ground under repair.

Rules Reminders

Please take a moment and identify your golf balls to your playing partners.

A friendly reminder to make sure that you only have 14 clubs in your bag to start.

Please note the "Pace of Play" guidelines (on your scorecard, above each hole). The pro will be monitoring this throughout the day. If you stay within 1 hole of the group in front of you, you're doing well.

Ground Under Repair is marked with white lines on the golf course (and sometimes identified by the letters GUR). If your ball ends up in the GUR, you cannot play it from there and must take your nearest point of relief. Take your nearest possible, playable stance... mark the position of the clubhead (in your setup to hit the ball) with a tee. Drop the ball (without penalty) within 1 club length of the tee, no closer to the hole.

The Out of Bounds is defined white stakes or white line in all areas of the course x

(Red) Lateral Hazards are marked on the sides of many holes. The red stakes identify the hazard and the red lines define the margins of the hazard.

You may not play a “provisional ball” for a ball that could be lost in a water hazard. The (Red) Lateral Hazards are marked on Peak (left of # 2, left and right of # 3, right of # 4, and right of # 5)... as well as on Mountain (right of # 1, left of # 4, right of # 5, right of # 8 and right of # 9)

Play the ball it lies, **you may roll the ball one scorecard in your own fairway.**
